Dear Florin,

On behalf of FIDIC, ARIC and EFCA, we wish to offer you our sincere thanks for sharing with all of us your valuable time and experience at the recent Regional Infrastructure Conference in Bucharest.

The Conference was a great success, bringing out many important issues impacting on the industry. We have noted a number of avenues for follow-up actions and further discussion on topics such as procurement, training, and the proper use of FIDIC documents. Without the support of people such as you, the conference would not have been a success.

We look forward to working with you again over the coming years, and to your valuable input into the activities of FIDIC and the industry.

Sincerely yours,

Enrico Vink
FIDIC Managing Director
on behalf of FIDIC – ARIC – EFCA organising teams
