

## **RECOMMENDATION**

We confirm, that Mr. Florin NICULESCU is working for ILBAU Ges.m.b.H. AUSTRIA, as **Traffic Manager – Deputy Site Manager**, being part of our management team for a 22,5 km road rehabilitation project on DN 1, constructing roads and bridges.

His general tasks are to organise the traffic safety on the entire construction Site, to establish and maintain connections with central and local authorities, preparing documents and designs regarding the Signalisation on Site and the obtaining of approvals and confirmations.

Throughout his activity, Mr. Niculescu, proved his management and organisation skills on a high and satisfying level, dealing with a wide variety of people, such as client, consultant, subcontractor, different authorities, etc.

The image shows the ILBAU logo in blue, which includes the text 'ILBAU', 'GESELLSCHAFT M.B.H.', 'WIENBURGERSTRASSE 9', and 'A-9800 SPITTAL/DRAU'. A blue handwritten signature is written over the logo.

Dipl. Eng. Thomas Eichholzer  
Chief Site Manager
