CFCU

To whom it may concern:

We hereby confirm that Mr. Florin NICULESCU has worked in the period September – December 2006 under a TA Contract awarded to Niras of Denmark with Class Management of Romania as a subcontractor, aiming at strengthening CFCU management role by enhancing its quality control function.

Mr. NICULESCU has worked with the **Technical Quality Control and Conformity Unit (TQCCU)**, under the above contract.

Mr. NICULESCU's tasks included checking of a wide range of documents, Tender Dossiers, Technical Specifications, Terms of Reference, Contracts, etc, for Works, Supplies, Services and Grants, in the fields of infrastructure for Transport and Environment including Waste Water Treatment Plants, Drinking Water Treatment Plants, Solid Waste, etc.

The procurement procedures were according to PRAG and the Works Conditions of Contract were Yellow and Red FIDIC.

During his activity, Mr. NICULESCU provided valuable advice on procedural and contractual matters, including contract disputes and claims and provided training and guidance to CFCU staff in such matters, both on-the job and in dedicated sessions, his knowledge proving very helpful.

Throughout all above period, due to his capacities of working under significant pressures and of organizing related activities, within difficult circumstances, Mr. NICULESCU provided and excellent and dedicated assistance, proving a very good technical knowledge and providing a well appreciated support in the management of contractual issues.

Considering above aspects, we are happy to recommend Mr. Florin NICULESCU for any other new assignments.
