Subject : Recommendation for Works Projects Expert Florin Niculescu

To whom it may concern

We hereby confirm that Mr. Florin NICULESCU worked as "*International Short-Term Expert /Lead Trainer*", within the framework of EC funded project "*External Trainers Pool for DIS Related Training project*", Contract No. EUROPEAID/123313/D/SER/TR, in Ankara, Turkey, during May 2007, providing 3 course sessions on "*Works*" related matters.

The course curricula was drafted by Mr. NICULESCU, in line with requirements in the Terms of Reference and provided a complete process concept, including procurement procedures, preparation of Tender Dossier, Evaluation and Contracting, as well as detailed elements of FIDIC Conditions of Contracts to be used for both project preparation and implementation.

Throughout the courses presentations, Mr. NICULESCU proved a consistent level of procedural and technical knowledge, often providing numerous real life examples from his extensive experience.

During these presentations, Mr. NICULESCU also showed an extensive knowledge and deep understanding of contractual matters, carefully detailing such aspects to his trainees.

Mr. NICULESCU also proved to be an excellent trainer, showing excellent communication skills and level of English language. During the three course sessions he established a very good collaboration with the attendees, also by demonstrating a deep understanding of Turkish culture and working context, significantly improving the knowledge dissemination process.

Accordingly, we hereby express our high satisfaction with the services provided by Mr. NICULESCU and warmly recommend him as an excellent and professional trainer and engineer.

Sincerely yours,

H. İnci RÖSCH
Director
