## Recommendation

To whom it may concern

We hereby confirm that Mr. Florin NICULESCU prepared and delivered two FIDIC course sessions in November 2007, in Tallinn, Estonia.

The courses were part of a larger training scheme, dealing with the following topics, related to project management in construction field:

- Time management and quality management. Practical examples of failure;
- Resources of project. Team, information and budget. Finances;
- Estonian construction law, Estonian civil law. Treaties in construction;
- Supervision in construction. Analyse of construction;
- FIDIC Conditions of Contract,

Mr. Niculescu proved excellent training skills by selecting a range of highly relevant topics, preparing good quality course materials and delivering a lively presentation, which lead to successful courses, fully meeting the audience expectations.

We therefore warmly recommend Mr. Florin NICULESCU for any such further assignments.
